

REACH, RoHS² and WEEE

This declaration of compliance is to confirm that following product manufactured by Winncare Nordic ApS, Taarnborgvej 12C, 4220 Korsoer, Denmark, is in conformity with REACH (directive 2006/121/EC), (RoHS² directive 2011/65/EC) and WEEE (directive 2012/19/EU).

Trade name: ErgoTrainer

REACH directive 2006/121/EC regarding Registration, Evaluation, Authorization and Restriction of Chemicals

Our products are in conformity with the European Regulation no. 1907/2006 and none of the registered chemicals on the SVHC list from the European Chemical Agency (ECHA) are used in products produced by Winncare Nordic.

RoHS² directive 2011/65/EU regarding Restriction of Hazardous Substances

Our products do not contain any of the below hazardous substances

Polybrominated diphenyl ether (PBDE)

WEEE directive 2012/19/EU regarding Waste Electrical and Electronic Equipment:

Winncare Nordic declares to comply with the requirements in the WEEE directive to minimize the use of natural resources, to increase recycling and to reduce pollution.

This declaration of compliance is prepared according to our current information on these directions. Winncare Nordic is continuously evaluating its products and products from our suppliers. Our suppliers are equally responsible to ensure that their products are in accordance with RoHS², WEEE and registered under REACH.
